RE: Docket No. 001122-WS, Joint application for transfer of all water and wastewater facilities of Spruce Creek South Utilities, Inc. in Marion and Sumter Counties to Florida Water Services Corporation, for cancellation of Certificates Nos. 511-W and 467-S held by Spruce Creek South Utilities, Inc. and for amendment of Certificates Nos. 373-W and 322-S held by Florida Water Services Corporation; and joint petition for approval of ancillary agreements.

Order No. PSC-01-2311-PAA-WS, issued November 26, 2001, required that the docket remain open to allow the utility to file the irrigation tariff required by the order. Once staff had verified the tariff filing, the order indicated the docket was to be administratively closed.

Staff is in receipt of the irrigation tariff and has verified that it meets the requirements of the order. Since there are no issues remaining in Docket No. 001122-WS, staff requests that the docket be administratively closed.
