SUPPLEMENTAL REFUND REPORT

Pursuant to a request of the Staff of the Florida Public Service Commission ("Commission") in connection with Order No. PSC-01-1297-PAA-WS ("Refund Order"), Southlake Utilities, Inc. ("Southlake"), hereby files this Supplemental Refund Report:

1. As set forth in Paragraph 4 of the Refund Report submitted for filing by Southlake on February 22, 2002:

The Spur Station has not responded to either the November 15, 2001, letter containing the refund affidavit and release or the January 17, 2002 follow up letter. Copies of the two letters without enclosures are attached as Exhibit C. It appears that the ownership of the Spur Station has changed. To the best of Southlake's knowledge, the former owner of the Spur Station who is either the individual entitled to the refund or the representative of the entity entitled to the refund, has left the area. Southlake does not know his current location, the current owners of the gas station have not responded, and Southlake is unable to make the refund to the Spur Station. Southlake suggests that the Commission direct it to treat the

\$3,485.21 refund to the Spur Station as a contribution-in-aid-of-construction.

2. Since February 22, 2002, Southlake has reexamined numerous files attempting to discover a forwarding address for the former owner of the Spur Station. Southlake has also spoken twice by telephone with a representative of the current owner of the service station at the Spur Station site. The representative indicated that she knew where the former owner was working and that she would contact the former owner and request that he contact Southlake's attorney regarding the refund. To date, the former owner has not contacted Southlake's attorney. Accordingly, Southlake still is unable to make the refund to the Spur Station. Southlake again suggests that the Commission direct it to treat the \$3,485.21 refund to the Spur Station as a contribution-in-aid-of-construction.

Respectfully submitted this 23rd day of April, 2002.
