Re: Approval of Amendment to the Resale Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Re-Connection Connection pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Re-Connection Connection are submitting to the Florida Public Service Commission an amendment to their negotiated agreement for the interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Re-Connection Connection. The initial agreement between the companies was filed in Docket 010341-TP, on March 20, 2001, and was deemed effective by Order No. PSC-01-1065-FOF-TP on May 3, 2001

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting this amendment to the negotiated agreement between BellSouth and Re-Connection Connection within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties agree that neither of these reasons exists as to the agreement they have negotiated and therefore, as such this amendment should be deemed effective by operation of law on August 15, 2002.

Very truly yours,

Regulatory Vice President *LMW*

- 6.6 Deposit Policy. Re-Connection Connection shall complete the BellSouth Credit Profile and provide information to BellSouth regarding credit worthiness. Based on the results of the credit analysis, BellSouth reserves the right to secure the account with a suitable form of security deposit. Such security deposit shall take the form of cash, an Irrevocable Letter of Credit (BellSouth form), Surety Bond (BellSouth form) or, in BellSouth's sole discretion, some other form of security. Any such security deposit shall in no way release Re-Connection Connection from its obligation to make complete and timely payments of its bill. Re-Connection Connection shall pay any applicable deposits prior to the inauguration of service. If, in the sole opinion of BellSouth, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the level of security deposit, BellSouth reserves the right to request additional security and/or file a Uniform Commercial Code (UCC-1) security interest in Re-Connection Connection's "accounts receivables and proceeds." Interest on a security deposit, if provided in cash, shall accrue and be paid in accordance with the terms in the appropriate BellSouth tariff. Security deposits collected under this Section shall not exceed two months' estimated billing. In the event Re-Connection Connection fails to remit to BellSouth any deposit requested pursuant to this Section, service to Re-Connection Connection may be terminated in accordance with the terms of Section 8.2 of this Attachment, and any security deposits will be applied to Re-Connection Connection's account(s).
- 6.6.1 The fact that a security deposit has been made in no way relieves Re-Connection Connection from complying with BellSouth's regulations as to advance payments. Any such security deposit shall in no way release Re-Connection Connection from its obligation to make complete and timely payments of its bills.
