

011481-WS

May 20, 2002

Dear Public Service Commission, ORIGINAL

I understand that you need an additional month or so, to rework the numbers for our rate case.

You have my permission to do this correctly and get the numbers right. If you have questions for me, the best phone number to reach me at is (616) 291-3479 cell or (616) 874-8188

Thank you
Terry Hartigh
