In re: Docket No. 011073-WS – Application of Ferncrest Utilities, Inc.  
For Increased Water and Wastewater Rates

Dear Mr. Fletcher:

On July 11, 2002, I filed tariff sheets for interim rates for Ferncrest Utilities, Inc., as approved by the Commission at its Agenda Conference of the same date.

The tariff sheets showed an effective date of June 14, 2002. The utility believes that June 20, 2002, is a more realistic date by which all prerequisites to the effectiveness of the interim rates can be satisfied. Could you please change the date on the filed tariff sheets, in lieu of refiling? If you can do so, I would appreciate it. If not, let me know, and I will re-file.

Sincerely,

David B. Erwin
