TO: DOCKET NO. 020007-EI - ENVIRONMENTAL COST RECOVERY CLAUSE

FROM: OFFICE OF THE GENERAL COUNSEL (STERN)
DIVISION OF ECONOMIC REGULATION (BREMAN)

On June 19, 2002, Florida Power & Light (FP&L) filed, in Docket No. 020007-EI, its Petition for Approval of Environmental Cost Recovery of St. Lucie Turtle Net Project for the Period April 15, 2002 through December 31, 2002. The Petition was assigned Document No. 06332-02. Because the Petition is for a new project that has not been approved, it is more appropriately placed in its own docket. Therefore, a new docket has been opened for the Petition and the Petition will be removed from Docket No. 020007-EI. FP&L does not object to this.
