RE: Florida Water Services Corporation

Dear Sir:

I am in receipt of a notice dated June 25, 2002, which indicates that Florida Water has made application to the Public Service Commission to be regulated by you rather than the Board of County Commissioners of Hernando County, Florida, under which they are currently regulated. I strongly object to this application and do not agree that the Public Service Commission should regulate the rates of Florida Water Services Corporation.

Sincerely,

Samuel and Pauline DeFonzo
