**RE: Docket No. 020765-TC**

Dear Mr. Kantor:

On May 28, 2002, I wrote you and explained that the 2001 Regulatory Assessment Fee, plus penalty and interest charges, had not been received and that in order to avoid a docket being established, the Commission must receive payment by June 18, 2002. The letter included a copy of the 2001 Regulatory Assessment Fee return form and a copy of Rule 25-24.514, Florida Administrative Code, which explains how to request cancellation of certificates. Payment was not received, therefore, Docket No. 020765-TC was established on July 19, 2002.

On July 22<sup>nd</sup>, the Commission received the company's 2001 Regulatory Assessment Fee return form showing zero revenues with the hand-written note "Out of the payphone business since 1999." In 1999, we have record showing that you proposed a \$100 settlement to keep the certificate active to resolve Docket No. 981154-TC, which had been established for the same rule violation. However, I have researched our records and cannot find record of any request for cancellation.

If you would like to cancel your payphone certificate in Florida, you must comply with Rule 25-24.514, Florida Administrative Code. A copy of that rule is enclosed. Please review this information and respond in writing by August 21, 2002. In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, by internet e-mail at [pisler@psc.state.fl.us](mailto:pisler@psc.state.fl.us), or at the address below.

Sincerely,
