Re: 2002 Local Competition Report Data Request

Dear Ms. Bass:

Please find enclosed Verizon Select Services Inc.'s (VSSI) responses to the above-referenced data request. Please be advised that the response to Item 8 is proprietary and is being filed under a claim of confidentiality as specified in Chapter 364.183, F.S. and Commission Rule 25-22.006(5). The confidential information provided includes VSSI's plans for deploying circuit and packet switches in the state. Information pertaining to network expansion plans is very valuable competitive information from which other carriers can discern VSSI's level of competition and its future market plans.

If you have any questions regarding this information, please contact Kathleen Hodges at (972) 718-7978.

Very truly yours,

Anthony P. Gillman

2002 Alternative Local Exchange Carrier (ALEC) Data Request

Legal company name: _____ Verizon Select Services Inc. (VSSI) _____
D/b/a: _____
FPSC company code (e.g., TX 000): _____
Contact name & title: _____ Anthony P. Gillman _____
Telephone number: _____ 813.483.2615 _____
Email address: _____ Anthony.gillman@Verizon.com _____

Florida Statute 364.02(2) defines basic local service as follows:

"Basic local telecommunications service" means voice-grade, flat-rate residential and flat-rate single line business local exchange services which provide dial tone, local usage necessary to place unlimited calls within a local exchange area, dual tone multi-frequency dialing, and access to the following: emergency services such as "911," all locally available interexchange companies, directory assistance, operator services, relay services, and an alphabetical directory listing. For a local exchange company, such terms shall include any extended area service routes, and extended calling service in existence or ordered by the commission on or before July 1, 1995.

1. Are you currently providing residential or business service to customers in Florida that complies with the above definition of basic local service? If yes, continue with Question #1; if no, continue with Question #2.
 - a. To how many residential customers are you providing basic local service in Florida and what are your current rates?
 - b. To how many business customers are you providing basic local service in Florida and what are your current rates?

Response: VSSI is not currently providing basic local exchange service in the State of Florida.

2. Are you currently providing types of local service (business or residential) in Florida that may not meet Florida's statutory definition of basic local service? (Examples could include: multi-line business users; services with toll or usage restrictions; mandatory 900 blocking; limited amount of local calling included in the monthly charge; bundled service offerings; etc.) If yes, continue with question #2; if no, skip to Question #3.
 - a. Please describe each of the forms of local service you are providing to residential customers in Florida, where you are offering these services (e.g., in which cities or areas), and indicate your current rates.
 - b. Please describe each of the forms of local service you are providing to business customers in Florida, where you are offering these services (e.g., in which cities or areas), and indicate your current standard rates.

Response: Not applicable. See VSSI's response to Data Request No. 1.

2002 Alternative Local Exchange Carrier (ALEC) Data Request

3. Do you actively market your local services to Florida residential customers?
- If not, please explain why.
 - If so, in what geographic areas?
 - If so, what types of marketing do you use? Please check all that are applicable.
 - Newspaper
 - Radio
 - TV
 - Direct Mail
 - Telemarketing
 - Email
 - Website
 - Other (please specify)

Response: Not applicable. See VSSI's response to Data Request No. 1.

4. Does your company offer xDSL? If so, please indicate, by exchange, the number of xDSL lines your company provides and explain how your company's various service offerings are priced.

Response: No.

5. Are you offering or providing voice over DSL (VoDSL) service? If so, in what exchanges and respective wire centers and at what price(s)? Is your service local, long distance, or both?

Response: No.

6. Please describe the method(s) you are using to provide telephone services (e.g., resale, interconnection, unbundled network elements, facility-based, etc.)
- Please indicate, by exchange and respective wire center, the number of incumbent local exchange carrier (ILEC) access lines you are reselling to residential customers.
 - Please indicate, by exchange and respective wire center, the number of ILEC access lines you are reselling to business customers.
 - Please indicate, by exchange and respective wire center, the types of unbundled network elements, if any, you are obtaining from the incumbent ILEC.
 - Please indicate, by exchange and respective wire center, the number of unbundled local loops, by type, if any, you are obtaining from the incumbent ILEC.
 - Please indicate, by exchange and respective wire center, the numbers of access lines you are serving through UNE loop combinations, such as UNE Platform.
 - Please indicate the types of facilities deployed by your company in Florida to provide local telephone services, and indicate where these facilities are deployed.
 - If known, please indicate the number of access lines by exchange, separately for residential and business customers, provisioned solely over company-owned facilities.
 - Please indicate, by exchange, the number of business access lines you serve that are provided to Internet service providers.

2002 Alternative Local Exchange Carrier (ALEC) Data Request

- i. Please indicate, by exchange, the number of business access lines you serve that are provided to voicemail service providers.

Response: Not applicable. See VSSI's response to Data Request No. 1.

7. Referring back to your responses to question number 6, please provide by subpart (e.g., 6(g)), where applicable, the number of voicegrade equivalent lines that you are providing (e.g., 1 DS1 should be considered equivalent to 24 voicegrade lines).

Response: Not applicable.

8. a. Please indicate the number and location of switches you have located in Florida (if any) used to provide services to customers in Florida, identify whether they are circuit or packet switches, and identify the manufacturer.
b. Please indicate the projected number and location of circuit and packet switches that you expect to locate in Florida within the next five years.
c. If applicable, please indicate if and where you have deployed transport facilities, and describe the technology(ies) deployed.

Response: **REDACTED**

9. a. For each exchange where you are providing any form of residential local telephone service, please identify by exchange (a list of exchanges is attached) and respective wire center, the number of residential access lines served as of June 30, 2002. (See example below)
b. For each exchange where you are providing any form of business local telephone service, please identify by exchange and respective wire center, the number of business access lines served as of June 30, 2002. (See example below)

(Examples (numbers for illustrative purposes only)

Response: Not applicable. See VSSI's response to Data Request No. 1.

10. For billing and accounting purposes, do you differentiate between residential and business customers?

Response: Not applicable. See VSSI's response to Data Request No. 1.

11. Have you experienced any significant barriers in entering Florida's local exchange markets? Please list and describe any obstacles or barriers encountered.

Response: Not applicable. See VSSI's response to Data Request No. 1.

2002 Alternative Local Exchange Carrier (ALEC) Data Request

12. Have you experienced any difficulties involving any agreements you may have incumbent LECs? If so, please describe any significant problems encountered.

Response: Not applicable. See VSSI's response to Data Request No. 1.

13. Please describe your long-term (5 years) business strategy, including whether you intend to change your method of provisioning (e.g., from resale/mixed to all UNEs to facilities-based).

Response: At this time, VSSI does not have any definitive marketing plans, or specific plans regarding the type of provisioning that would be used.

14. Have you been assigned your own NXX codes? If yes, how many codes have you been assigned? For each code that you have been assigned as of June 30, 2002, please indicate how many numbers have been assigned and how many of those numbers have active status. If you have been assigned NXX codes, please identify where they have been homed for rating and routing purposes.

Response: Not applicable. See VSSI's response to Data Request No. 1.

15. a. At any time during the last 12 months have you provided local telephone services in Florida and then withdrawn a service? If yes, please identify the service(s), prices, and exchange, and discuss the reasons for this decision.
b. At any time during the last 12 months have you expanded your service offerings in Florida? If so, please list the new offerings, if they are residence or business (or both), their prices, and the exchanges where you have offered the services.

Response: Not applicable. See VSSI's response to Data Request No. 1.

16. a. Please list your primary line of business (for example, entertainment, cable television, private line/special access service, interexchange service, local service, cellular service, paging service, electric service, municipality, etc.)
b. If you are involved in providing cable television in Florida, do you offer any package plans combining cable television and local telephone services? If so, please indicate where such packages are being offered, and whether they are provided through your company itself, or an affiliate, or a business partner.
c. If you or an affiliate provides long distance telephone service in Florida, do you offer any package plans combining long distance and local telephone services? If so, please describe any such plans, their terms and conditions, and when you began offering the plans. Is subscribing to both local telephone and long distance a condition of providing services?

Response: VSSI's sells interexchange voice and data services, customer premises equipment and other services directly primarily at the large business customer segment.

17. Please provide any additional comments or information you believe will assist staff in evaluating and reporting on the development of local exchange competition in Florida. In particular, we are seeking comment on any major obstacles that you believe may be impeding the growth of local competition in the state and any suggestions you may have on how to remove such obstacles. We are also seeking

comment on alternative methods to evaluate the level of competition in Florida (e.g., use of the E911 databases, etc.) as well as comments or information on intermodal local competition (e.g., wireless cable telephony).

Response: No comments to provide.

18. If your company filed a Form 477 with the Federal Communications Commission in March 2002, please enclose a copy of the completed Form 477 with your response to this data request.

Response: Not applicable.

19. Please provide a copy of the most up-to-date information that your company has provided to Wall Street analysts for the period July 1, 2001 through June 30, 2002 that discusses the number of access lines you provide as an ALEC in Florida. If the numbers differ from what you are reporting to the Florida Public Service Commission, please explain the differences.

Response: Not applicable. See VSSI's response to Data Request No. 1

20. For the year ending December 31, 2001, please identify your total revenue from local service, broken out by business and residence.
