COMMISSION
CLERK

Dear Sir or Madam:

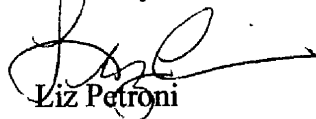

Buyers United International, Inc. ("the company") was originally certified in Florida under 991826-TI. The company's authority was cancelled on May 19, 2000, for failure to file its Regulatory Assessment Fee reports. Since then, the company has undergone extensive managerial and personnel restructuring. These changes have proved beneficial in reorganizing the company and its ability to provide and maintain services with customers, as well as relations with regulatory governing bodies. Additionally, the company has retained regulatory consultants to assist with initial filings and ongoing regulatory maintenance. Given these circumstances, the company assures you that, in the future, they will comply with the Commission's filing and reporting requirements, as well as any other Commission imposed requirements.

The company apologizes for any inconvenience its past failure to comply with reporting and filing requirements has caused the Commission; e respectfully ask for the opportunity to begin anew with the Florida Public Service Commission. Accordingly, we have submitted a new application, regulatory assessment fees, and will submit an IXC Tariff.

If you have any questions regarding this filing, please contact me at 801-558-8149 or via e-mail at liz@capitolhillconsulting.com. Please acknowledge receipt of this filing by returning a date-stamped copy of this cover letter, in the postage paid envelope, provided.

Thank you for your consideration of this matter.

Sincerely,

Liz Petroni
