Re: Gistro, Inc.

Dear Ms. Gervasi;

Apropos of our telephone conversation this afternoon, enclosed is a copy of a letter from Gistro, Inc. requesting that Mills Venture Group remit a disconnection cost of \$225.00. It seems to me that this is a type of utility company charge. Does this peak the interest of the PSC as to whether there is a attempt to operate as a utility.

RE: Regarding disconnected homes
and future connections.

Dear Mr. Mills

Please be advised that 3 of your 5 homes you have build in the Forest Mere subdivision, are disconnected from our lines. Should you try to reconnect this houses again to our lines, we will disconnect this houses again and request your arrest and file all possible complains against you and your Company.

The 2 other homes you also connected without Gistros consent, and sold, will also be disconnected 30 days after July 31, 2002

Be aware that the 2 owners of this homes are presently committing a misdemeanor by stealing of services from Gistro INC

Please remit the disconnect cost of \$ 225.00

Sincerely

For Gistro INC
