RE: **Island Environmental Utilities**

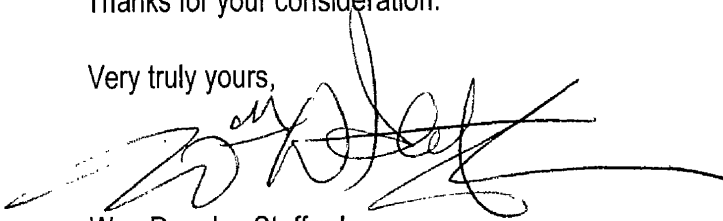

Gentlemen:

Enclosed for your reference is a copy of your notice dated August 16, 2002 regarding the application for certificate of authorization for wastewater certificate for Little Gasparilla Island.

I am the owner of two lots on Little Gasparilla Island. I object to the application of the above company to install a wastewater system on the Island. This is a barrier Island made up of beach sand, and septic tank works just great. A wastewater system would not improve the well water because of the salt.

Thanks for your consideration.

Very truly yours,

Wm. Douglas Stafford
