RE: Docket No. 010403-WU, Application for a Staff Assisted Rate Case by Holmes Utilities, Inc.

Pursuant to Order No. PSC-01-2385-PAA-WU, Holmes Utilities, Inc. was required to complete pro forma improvements outlined in the body of that order. The order further specified that the docket shall be closed administratively once staff has verified that the pro forma has been completed. Attached is a letter from the utility which includes an invoice for the completed pro forma item as well as a letter from DEP approving the item for use. Staff believes this is sufficient information to verify the pro forma completion and requested that this docket be closed administratively.

Lake Wales Ridge EMA

Dear Mr. Holmes:

This acknowledges receipt of certification that the subject water distribution system extension has been completed in accordance with the plans and related materials permitted by this agency under Permit Number 200706-001-DSGP dated June 28, 2002.

Based on this certification and satisfactory bacteriological results, we are approving these facilities for service. Your continued cooperation in our water supply program is appreciated.

Sincerely,

O. James Oni
