RE: Ntera, Inc. Company Code TX579 and TJ543

Dear Ms. Bayo:

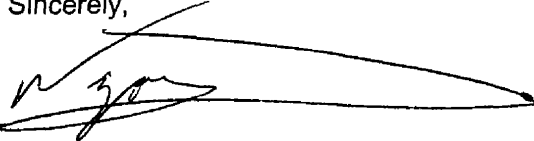

This letter is written on behalf of Ntera, Inc. regarding Docket No. 010654 and 010752 No. TX579. Ntera, Inc. is a client of Telecom Compliance Services, Inc. ("TCS"), an outside regulatory consulting service. TCS is in receipt of the letter and acknowledges the Commission's recommendation for the cancellation of Ntera, Inc. authority to conduct business in the state of Florida.

The outstanding report, 2001 Regulatory Assessment Fee report, is now completed and attached for your review. Ntera, Inc. recognizes that appropriate controls were not in place to assure the timely filing of the 2001 Regulatory Assessment Fee Report. The company has since retained TCS, to handle the preparation for all future filings with the Commission.

Ntera, Inc. would like to make an offer to the Public Service Commission of \$100.00 in an effort to settle this matter. Also, the company waives objection to the administrative cancellation of the company's certificate in the event the settlement offer is accepted and the company fails to comply with the terms that have been offered.

If there are any questions, please feel free to call me at 305-914-3447. Thank you for your help in resolving this matter.

Sincerely,

Mike Vazquez
President
