Re: Docket No. 000121A – Transition of Supra’s customers’ telephone service

Dear Ms. Bayo:

As a follow up to BellSouth’s October 22, 2002 letter regarding the Force Majeure event relieving BellSouth of its penalty obligations under its Self Effectuating Enforcement Mechanism Administration Plan (Plan) due to the Transition of Supra’s customers’ telephone service, this letter notifies the Commission that Bellsouth has reinstated its Tier 1 and Tier 2 obligations on Monday October 28, 2002. Pursuant to Order No. PSC-02-1454-PCO-TL, issued October 21, 2002, BellSouth began implementation of the customer notice provisions in Bellsouth’s tariff. However, subsequent to BellSouth’s filing of its Emergency Petition on October 21, 2002, Supra Telecom filed for Chapter 11 bankruptcy on October 23, 2002. BellSouth has delayed the implementation of its Service Continuity Plan tariff until further notice.
