Thanks for the explanation. We'll include that in recording the e-mail updating the docket title.

(This did differ from 020526 where we added regulated companies, so I needed to understand!)

Kay, We added the names because U.S. Cellular Inc. is not registered as a coporation in the state of Florida. It is a "holding company" doing business as four companies registered in the state of Florida. I realize that we do not regulate these companies but we thought it would be correct to have the names of the companies as they as registered with the state included in the title. If you have a problem doing it this way please let me know. Thanks, Jessica

Jeff, none of those companies is regulated by the PSC. Why would we add the names?

In the title for this docket, please change it to:

"Request for approval of CMRS interconnection agreement between United States Cellular, Inc. (United States Cellular, USCOC of Tallahassee, Inc., Central Florida Cellular Telephone Company, Inc., USCOC of Florida RSA #7, Inc., and Florida RSA #8, Inc.) and Sprint-Florida, Incorporated."

This change is based on United States Cellular, Inc. being a holding company for those companies listed in parentheses. As a reference, we did this in 020526-TP (BellSouth and KMC Holdings, Inc.)
