Rule 25-4.0161, Florida Administrative Code, incorporated by Rule 25-24.480, Florida Administrative Code, which implements Section 364.336, Florida Statutes, requires the payment of Regulatory Assessment Fees by January 30 of the subsequent year for telecommunications companies, and provides for penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts. Docket 020673-TI was established to cancel LDB's certificate for nonpayment of RAFs, penalties and interest for the year 2001. Docket 020690-TI was established to cancel LDA's certificate for nonpayment of RAFs for the year 2001 and nonpayment of penalties and interest for the years 1999 and 2001.

After these dockets were established, the companies contacted us and subsequently paid the past due amounts, including statutory penalty and interest charges, and proposed settlements. This is the second enforcement docket established for both companies for the same rule violation. Each company offered to pay a \$500 contribution and proposed to pay future RAFs on a timely basis. These settlement amounts are consistent with amounts accepted for recent, similar violations. Pursuant to Section 364.336, Florida Statutes, cancellation of an entity's certificate does not relieve the obligation to pay Regulatory Assessment Fees, including statutory penalty and interest charges, if the certificate was active during any portion of the calendar year, including the year of cancellation.

Accordingly, we accept each company's respective settlement proposal of \$500. Any contribution should be received by the Commission within fourteen (14) calendar days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If either of the companies fails to pay in accordance with the terms of this Order, that company's respective certificate shall be cancelled administratively. If a company's certificate is cancelled in accordance with this Order, the respective company should be required to immediately cease and desist providing interexchange carrier services in Florida.

Based on the foregoing, it is

ORDERED that if QAI, Inc. d/b/a Long Distance Billing or Long Distance America, Inc. fails to comply with this Order, its certificate will be canceled administratively. It is further
