AMENDMENT TO CLOSE DOCKET MEMORANDUM

By memorandum dated July 25, 2001, the docket was closed. In error, the memorandum indicated that the agreement had been withdrawn. Further, the memorandum failed to address the negotiated agreement filed by BellSouth Telecommunications, Inc. (BellSouth) and IDS Telecom, LLC (IDS) which is corrected below.

By letter dated June 11, 2001, BellSouth provided notice to this Commission that the parties had resolved all remaining issues in their arbitration. Subsequently, on July 11, 2001, BellSouth filed a Request for approval of an Interconnection, Collocation, Unbundled Network Elements and Other Services, and Resale agreement entered into between BellSouth and IDS. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved. The statutory deadline for the Commission to take action on this matter was October 11, 2001.

Staff reviewed the agreement in this Docket, and the agreement met the criteria outlined in Section 2.07.C.17 of the Administrative Procedures Manual. Therefore, it has gone into effect by operation of law in accordance with Section 252(e)(4) of the Telecommunications Act of 1996.

Accordingly, with this Memorandum, the closed docket is hereby amended, and the Docket shall remain closed.
