RE: Docket No. 021142-WU - Application for Amendment of Certificate No. 441-W to Extend Water Service Area for the 48 Estates System in Lake County by AquaSource.

WR

Enclosed please find a letter dated January 6, 2003 from Mr. Charles Gauthier, AICP, Chief, Comprehensive Planning, which should be placed in the docket file. The letter indicates that the Department of Community Affairs has identified no issues related to Lake County's Comprehensive Plan and does not oppose the utility extending service to this area.

If you have any questions, please contact me.

RE: PSC Docket No. **021142-WU**; Application by Aquasource Utility, Inc. for
Amendment of Certificates No. 441-W to extend water service area for the 48
Estates System in Lake County

Dear Mr. Devlin:

The Department has completed its review of the Aquasource Utility, Inc. application to the Florida Public Service Commission for an expansion of its water service area in Lake County. A copy of staff's memorandum is attached for your review.

We have not identified any growth management concerns related to consistency with the Lake County Comprehensive Plan. The Department has no issues regarding this application for extension of service.

If you have any questions regarding this matter, please contact Dan Lucas, Planner, at (850) 922-1805.

Sincerely,

Charles Gauthier, AICP
Chief, Comprehensive Planning

RE: Public Service Commission Utilities Expansion Application
 Aquasource Utility Inc. (Lake County) PSC Docket No. 021142-WU

DATE: December 17, 2002

Comments Due: January 15, 2003

Background

Aquasource Utility, Inc. (AUI) has applied to the Public Service Commission to extend its water service area in west central Lake County generally west of Lake Eustis and northwest of the City of Tavares. The Applicant's proposed service area covers about 5 acres. The area to be serviced consists of 16 residential lots, ten of which are already receiving service. The proposed service area is anticipated to consist of residential development, and the applicant has indicated that existing facilities have sufficient available capacity to service the proposed area.

Conclusion

Staff has identified no issues related to the County's Comprehensive Plan. The location of the proposed service area corresponds to Urban (7 DU/acre) on the County's Future Land Use Map.
