Dear Mr. Thomson:

The Commission received the 2002 Regulatory Assessment Fee return form with what appears to be a request for cancellation. A note on the form states "We are no longer in business as of 2001." A copy of the form is enclosed.

There are two kinds of cancellations. The first is voluntary, which is normally granted if the company is in good standing with the Commission and does not have a past due balance of the Regulatory Assessment Fee, including statutory penalty and interest charges. The other is involuntary. If a company is not in good standing and has an outstanding balance of the Regulatory Assessment Fee, the Commission normally cancels the certificate on its own motion for a rule violation. It should be noted that any balance owed is forwarded to the Comptroller's Office for collection.

The Regulatory Assessment Fee, which is .0015% of a company's intrastate revenues, or \$50.00, whichever is greater, is assessed if a certificate is active for any one day during a calendar year. The Regulatory Assessment Fee is due by January 30 of each year, unless the 30th falls on a weekend, then the fee is due by the next working day, for the previous year. If payment for the Regulatory Assessment Fee is mailed after the due date, then statutory penalty and interest charges are applicable.

If the Commission receives payment of the fee by January 30, 2003, a docket will be established and the effective date of the cancellation will be December 31, 2002, so that you will not owe the 2003 Regulatory Assessment Fee.

Please respond in writing by January 30, 2003. In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, by internet e-mail at pisler@psc.state.fl.us, or at the address below.
