Dear Paula J Isler:

Pursuant to your letter dated January 9, 2003, we do hereby request cancellation of our alternative local exchange carrier certificate by the Commission effective December 31, 2002. We are not aware of what it means to be in compliance with Rule 25-24.820, Florida Administrative Code.

Required information:

a. Enclosed is a check for \$53.00 for the late 2001 Regulatory Assessment Fee and the 2002 Regulatory Assessment Fee.

b. The certificate should be cancelled since we are not in the Alternative Local Exchange business. Our entire business is that of being a software business.

c. We have no customer deposits and no final customer bills.

d. Since we have no customers, we have no one to whom a notice regarding discontinuation of service can be provided.
