(hereinafter "BellSouth") filed its Rebuttal Testimony of Eric Fogle along with Exhibit Nos. EF-1 and EF-2. BellSouth is amending its prior request for confidential classification to only classify some but not all of Exhibit EF-2 which contains cost information and vendor-specific pricing information, that is considered proprietary to BellSouth. BellSouth filed a Notice of Intent to Request Specified Confidential Classification on that same day and on January 13, 2003 filed a Request for Specified Confidential Classification.

Attachment A to BellSouth's Amended Request for Confidential Classification contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment B to BellSouth's Amended Request for Confidential Classification is a redacted copy of the confidential information.

5. Attachment C to BellSouth's Amended Request for Confidential Classification is a proprietary copy of the confidential information.

6. The information discussed in this Amended Request for Specified Confidential Classification is valuable, BellSouth strives to keep it secret, and this information has not been generally disclosed.

7. The original of this Amended Request was filed today with the Division of the Commission Clerk and Administrative Services and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that, pursuant to Chapter 364, Florida Statutes, the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 30<sup>th</sup> day of January, 2003.
