In regards to this document - (00978) - this is actually the opposite of what needs to occur.. all future filings need to be filed into Docket NO. 020010-WS - NOT - Docket No. 990374-WS... The utility has protested the SARC in Docket No. 020010-WS not the other one.. Docket No. 990374-WS is merely in monitor status. Sorry for the confusion.
