**Reference: Docket No. 021251-WU    Attachments: Notices mailed to Nonmembers.**

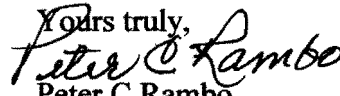

In reference to Docket No., 021251-WU whereby notice was mailed to residences of Mobile Manor Subdivision who did not belong to Mobile Manor Inc. It is believed that there are over 100 residences within Mobile Manor Inc. who do not belong to the Mobile Manor Inc. Association. These residences own the property that the homes are located on and pay taxes to Lee County Florida. Mobile Manor Inc. an association have tried every year to come up with an idea that would force the non-association members to join with them. I believe that this request to cancel certificate number 056-W is nothing more than an illegal scam to force the nonmembers to join their association and pay \$156.00 per year to be able to receive water service. The water mains were installed in the subdivision over 40 years ago and all private properties in the subdivision have been receiving water service for over 40 years.

The clubhouse, office and park area are owned by Mobile Manor Inc. an association within the subdivision and are used exclusively by the members of Mobile Manor Inc. Association. Nonmembers within the subdivision are not permitted to use the facilities owned by the Mobile Manor Association.

Profits from the sale of water service has been used for upkeep of the service and any profit left over has been used by the association. Many members of the association have tried to force the association to audit their books to no avail. Approximately 20 years ago the nonmembers went to court and won a judgment that proclaimed Mobile Manor property a subdivision and not an association. Granting the request made by Mobile Manor Association Inc. would provide a hardship on many of the senior citizens of Mobile Manor Subdivision who have no need of belonging to the association.

If the Florida Public Service Commission allows this to happen they will become a party to this scam by the association. **Please do some checking before finalizing their request.**

I believe its a scam and is illegal since it is the only source of water available to residents of Mobile Manor Subdivision.

Yours truly,

**Reference: Docket No. 021251-WU**

A serious problem is developing in the Mobile Manor Subdivision in N. Ft. Myers Florida.

Notice has been given to nonmembers of Mobile Manor Inc. an association within Mobile Manor Subdivision that has been granted the exclusive right to provide water to the Mobile Manor Subdivision, that they will no longer provide water to nonmembers of their association, if they are granted their request for cancellation of certificate #056-w by the Florida public service commission (copy of letter attached).

The nonmembers have also been told that they cannot have service from N. Ft Myers public utilities, leaving them with no water service.

The Mobile Manor Inc. Association has harassed the nonmembers within the subdivision every year with a new threat to their property to force them to join their association. A few years ago the Mobile Manor Association was taken to court for similar actions, and the nonmembers were awarded a judgment by the judge stating that Mobile Manor was a subdivision, since all residents own their property, and pay taxes to Lee Co. Fla.

If they are allowed to cancel the agreement then some provision would have to be made to allow service from N. Ft. Myers utilities.

Any help you can give in this matter will be greatly appreciated.
