Re: Local Service Provider Freeze

Dear Valued Customer:

This letter is being written to notify you that a local telephone service provider freeze is available and can be placed on your account if you choose. The purpose of this freeze would be to protect your account from unauthorized transfer to a competing carrier.

Should you want to have this valuable protection on your account please notify CCI at 1-888-477-1224 and request a Local Service Provider Freeze. This freeze is provided at no additional cost to you. If you would want to transfer to another provider, you would need to request the removal of the freeze. Freeze removal would be done upon request, even if your account had an outstanding balance.

If you have any additional question about the freeze or any other services provided by CCI, please contact our customer service representatives at 1-888-477-1224.

Sincerely,
CAT Communications, International, Inc.
