I don't see where BellSouth has appealed this decision. As such, DN 04770-02 should be removed from the confidential files.

Wayne, we're preparing the record on appeal for Docket 001305. DN 04770-02 was a motion filed 5/1/02 by Supra where BellSouth followed up with a request for confidentiality on 5/23. Order 02-0844 denied the request. It appears BellSouth did not protest or appeal the decision in that order, meaning 04770-02 is no longer confidential (if it ever was).

Can you confirm that for me? If you confirm, we will move 04770-02 from the confidential files to the docket file.

Thanks.

Kay
