Dear People:

Enclosed is a check in the amount of \$250.00 and an application for authority to provide interexchange telecommunications service, with six additional copies. After reviewing the FAQ's, I found that it takes approximately twelve weeks to get certified. Even though my livelihood depends on getting this certification, I understand why it's necessary for the process to take this long. I therefore would not ask that you provide any short cuts no one else is getting.

I would ask for one kindness however, if there is some question or problem with the application, please call me so it can be resolved as quickly as possible. I can be reached at my office 954-343-2053 or my cell 954-240-2242. Any help you can provide would be greatly appreciated.

Sincerely yours,

Marc A. Robin
