In re: Joint Petition of BellSouth )

 To Transfer Territories in Orange )  
 County And To Amend Certificates )

Docket No: 010138-72

Filed: February 7, 2003

**JOINT PETITION OF BELL SOUTH TELECOMMUNICATIONS, INCORPORATED**  
**AND SPRINT-FLORIDA, INCORPORATED**  
**TO TRANSFER TERRITORIES IN ORANGE COUNTY**  
**AND TO AMEND CERTIFICATES**

BellSouth Telecommunications, Incorporated ("BellSouth") and Sprint-Florida, Incorporated ("Sprint"), pursuant to Rules 25-4.005 and 28.106.201, Florida Administrative Code, jointly petition the Florida Public Service Commission (the "Commission" or "FPSC") to modify certain exchange boundaries in Orange County and to amend the companies' certificates accordingly. In support of this petition, BellSouth and Sprint state as follows:

1. BellSouth is an incumbent local exchange company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the Commission pursuant to Chapter 364, Fla. Stat. BellSouth provides service in Florida under FPSC Certificate of Public Convenience and Necessity No. 8.
2. Sprint is an incumbent local exchange company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the Commission pursuant to Chapter 364, Fla. Stat. Sprint provides service in Florida under FPSC Certificate of Public Convenience and Necessity No. 22.
3. BellSouth's principal place of business in Florida is 150 W. Flagler Street, Suite 1910, Miami, Florida 33130.

4. Sprint's principal place of business in Florida is 555 Lake Border Drive, Apopka, Florida 32713.

5. Pleadings and process in this matter may be served upon:

6. BellSouth and Sprint seek two exchange boundary changes in this petition.

The first boundary change is to transfer a portion of the Baldwin Park PUD from the BellSouth Orlando-Colonial Exchange to the Sprint Winter Park Exchange. The territory to be transferred consists of proposed multi-family designated areas for condominiums and apartments and single family areas not yet entirely designated by lot definition. No subscribers reside in the areas to be transferred; therefore, no subscribers would be affected by modifying the Winter Park exchange to include this portion of the Baldwin Park PUD. A Copy of the proposed service area map is attached as Exhibit "A".

7. The second boundary change is to transfer a portion of the Baldwin Park PUD from the Sprint Winter Park Exchange to the BellSouth Orlando-Colonial Exchange. The territory to be transferred consists of proposed multi-family designated areas for condominiums and apartments and

single family areas not yet entirely designated by lot definition. No subscribers reside in the area to be transferred; therefore, no subscribers would be affected by modifying the Orlando-Colonial exchange to include this portion of the Baldwin Park PUD. A Copy of the proposed service area map is attached as Exhibit "A".

8. Upon the Commission's approval of the modifications proposed herein, the parties will file the final tariff sheets for administrative approval.
9. No financial exchange or consideration was, or shall be, given for this proposed transfer of Certificated Areas. This Joint Application is the only written agreement between the applicants.
10. The present boundary lines are generally along section lines and roads and streets. However, in some cases, the present boundaries bisect individual lots, rendering provision of service difficult. These boundary changes will better align the companies' exchange service areas. The proposed boundary follows the centerline of streets currently projected within the development and it is intended that the boundary line redefinitions will minimize, if not negate, the future possibility that boundaries in these areas could bisect individual lots, thereby rendering the boundaries more usable in the provision and administration of service. The telephone service, local service rates, calling areas and calling plans will not be affected by these proposed changes since there are no existing customers in the areas to be transferred.

11. Both BellSouth and Sprint have agreed that the requested transfer of service area is feasible from an economic standpoint and beneficial to the subscribers of both companies.
12. Pursuant to FPSC Rule 25-4.005, the required affidavits are attached to this Joint Petition as Exhibit "B", and certify that notice of intention to file the Petition has been given to those parties set forth in the above cited rule.

WHEREFORE, Sprint and BellSouth request that this Joint Petition be considered, and that the FPSC redefine the boundaries of the Petitioners' Certificates of Public Convenience and Necessity as requested in the Petition, and that the FPSC enter an appropriate order to effectuate such a redefinition.

RESPECTFULLY SUBMITTED this 7<sup>th</sup> day of February, 2003.
