Westel, Inc. (TI994)

Dear Mr. Garner:

The Commission received your January 21, 2003, letter requesting cancellation of your EXC certificate and payment of the 2002 Regulatory Assessment Fee. Before recommending a voluntary cancellation, a company must have no outstanding balance of the fee, including statutory penalty and interest charges. In this case, our records show that Westel has an outstanding penalty and interest balance of \$18 for late payment of the 1997, 1999, and 2000 fees. A breakdown is attached.

If payment of the past due amount is postmarked by February 14<sup>th</sup>, a docket will be opened to grant Westel, Inc. a voluntary cancellation with an effective date of 12/31/02. Let me know if you have any questions. Thanks.
