Re: Docket Nos. 020119 and 020578-TP(Consolidated Tariff Dockets)

Dear Ms. Bayo:

It is with regret that Time Warner Telecom of Florida, L.P. ("TWTC"), must request permission to withdraw from Docket Nos. 020119 and 020578-TP(Consolidated Tariff Dockets). The reason we find it necessary to withdraw is the recent Order Granting in Part, and Denying in Part, Bellsouth's Motion to Compel, which compels TWTC to respond to numerous discovery requests for extremely sensitive information or documents that are totally irrelevant to the issues in this docket and would otherwise be unavailable to BellSouth in any other context. In addition, compilation of the requested information would require extensive utilization of resources that we do not believe should be devoted to responding to unnecessary requests for information in no way related to the specific issue before the Commission.

In our recent experience, it appears that BellSouth is employing a strategy of requesting irrelevant information from competitors, and that the only apparent purpose for such requests must be to obtain competitively sensitive information to which it is otherwise not entitled, or to discourage competitors from proceeding with complaints such as the one at issue in this docket. Unfortunately, this strategy appears to be quite effective
