RE: Changes to Staff Recommendations in Docket No. 030001-EI regarding Items No. 10, 11, and 11A on the March 4 Agenda Conference

Staff is requesting approval to make some minor corrections to the above mentioned recommendations. These attached changes do not affect the issue or recommendation statements and therefore, an oral modification at agenda conference should not be necessary.

These items should not be deferred because of the significant financial impact on customers.
