Dear Mrs. Islar,

Protocall Communications, Inc. purchased the assets of Pro Telecom Inc. effective November 1, 2001. The acquisition was completed by December 31, 2001.

At the time of acquisition Protocall Communications, Inc acquired all active pay phones of Pro Telecom.

Notices of change in ownership were sent to all Local Exchange Companies. Obviously the 42 in question were not properly completed by the end of our acquisition. All were converted to Protocall and were operated by and for Protocall effective January 1, 2002.

Thank you for your assistance. Please call me with any further questions.

Mike Jett
