Re: Docket No. 030007-EI

Dear Ms. Bayó:

I am enclosing for filing in the above docket the original and seven (7) copies of Florida Power & Light Company's Petition for Approval of Environmental Cost Recovery True-Up for the Period Ending December 2002, together with a diskette containing the electronic version of same. The enclosed diskette is HD density, the operating system is Windows 2000, and the word processing software in which the document appears is Word 2000.

Also enclosed for filing are the original and fifteen (15) copies of the prefiled testimony and documents of Florida Power & Light Company witness K. M. Dubin.

If there are any questions regarding this transmittal, please contact me at 305-577-2939.

Sincerely,

John T. Butler

In re: Environmental Cost)
Recovery Clause.)

Docket No. 030007-EI
Dated: March 31, 2003

**PETITION FOR APPROVAL OF ENVIRONMENTAL COST RECOVERY
TRUE-UP FOR THE PERIOD ENDING DECEMBER 2002**

Florida Power & Light Company ("FPL") hereby petitions this Commission for approval of FPL's actual End-of-Period Environmental Cost Recovery Clause ("ECRC") true-up underrecovery amount of \$7,066,252 for the period April 15, 2002 through December 31, 2002 and an overrecovery of \$205,349 as the adjusted net true-up amount for the same period. In support of this Petition, FPL states as follows:

1. The actual End-of-Period ECRC true-up underrecovery of \$7,066,252 for the period April 15, 2002 through December 31, 2002 was calculated in accordance with the methodology set forth in Schedule A-2 for the Fuel Cost Recovery Clause, attached to Order 10093 dated June 19, 1981. Per Order No. PSC-01-2463-FOF-EI, dated December 18, 2001, this actual true-up underrecovery of \$7,066,252 does not include interest. This calculation and the supporting documentation are contained in the prepared testimony of FPL witness K.M. Dubin, which is being filed together with the Petition and incorporated herein.

2. In Order No. PSC-02-1735-FOF-EI, dated December 10, 2002, the Commission approved an underrecovery of \$7,271,601 as the estimated/actual ECRC true-up for the period April 15, 2002 through December 31, 2002.

3. The adjusted net true-up for the period April 15, 2002 through December 31, 2002 is an overrecovery of \$205,349, which is the difference between the actual true-up underrecovery of \$7,066,252 and the estimated/actual true-up underrecovery of \$7,271,601.

WHEREFORE, Florida Power & Light Company respectfully requests the Commission to approve an actual End-of-Period Environmental Cost Recovery true-up underrecovery amount of \$7,066,252, and an overrecovery of \$205,349 as the adjusted net true-up for the period April 15, 2002 through December 31, 2002.

Respectfully submitted,
