**TAMPA ELECTRIC COMPANY'S  
MOTION FOR TEMPORARY PROTECTIVE ORDER**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, files this its Motion for a Temporary Protective Order exempting certain information from Section 119.07(1), Florida Statutes, and as grounds therefor, says:

1. On March 7, 2003 the Office of Public Counsel served Tampa Electric Company its First Request for Production of Documents in the above proceeding. Tampa Electric has amassed numerous documents responsive to OPC's requests. Certain of those documents contain confidential information the disclosure of which would be harmful to the interests of Tampa Electric and its customers. The documents containing confidential information have been identified as confidential and segregated from the non-confidential documents.

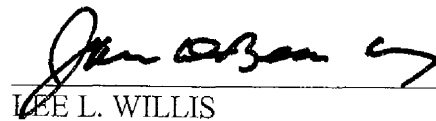

2. Rule 25-22.006(6)(c) provides a procedure which will allow Public Counsel to inspect the documents containing confidential information and at the same time prevent public disclosure of the confidential information. A temporary protective order will enable Public Counsel to review the information in question and at the same time protect the interests of Tampa Electric and its customers.

3. If, after reviewing the documents in question, OPC intends to use any of the confidential information at hearing, Tampa Electric will seek a protective order as contemplated in Rule 25-22.006(6)(c).

WHEREFORE, Tampa Electric Company moves the Commission for the entry of a temporary protective order exempting from public disclosure the documents containing confidential information tendered in response to OPC's First Request for Production of Documents.

DATED this 1<sup>st</sup> day of April 2003.

Respectfully submitted,

LEE L. WILLIS
