Re: Termination of TeleCents Communications, Inc.
Company Code: TX604; Certificate No. 7993

Dear Ms. Bayo:

Please accept this letter as the request of TeleCents Communications, Inc. ("TeleCents") to cancel its certificate to provide Alternative Local Exchange Telecommunications Service ("ALEC") in the state of Florida, effective immediately. Please be advised that TeleCents has never had, and currently has no, customers for any local exchange telecommunications services within Florida (retail or wholesale). This request for cancellation is based upon the determination by TeleCents that it no longer wishes to be an alternative local exchange provider in the state of Florida.

TeleCents also has a certificate to provide interexchange services in the State of Florida. The company will continue to provide such services.

To effect this termination, please note the following relevant information for TeleCents:

- ALEC Certificate No.: 7993
- ALEC Docket No.: 010990-TX
- ALEC Consummating Order No.: PSC-01-2083-CO-TX (October 2001)

TeleCents does not presently have a tariff on file for the provision of local exchange service; however, the company does have a tariff on file for the provision of interexchange service in the state of Florida that will remain in effect.

TeleCents currently has no local exchange customers in the State of Florida, therefore, there will be no adverse impact upon consumers. Therefore, we respectfully request that the Commission grant TeleCent's request in an expeditious manner.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope. If you have any questions or if I may provide you with any additional information, please do not hesitate to call me.

Respectfully submitted,

Lance J.M. Steinhart, Esq.
Attorney for TeleCents Communications, Inc.
