Re: Approval of Two Amendments to the Interconnection, Unbundling, Resale, and Collocation Agreement between BellSouth Telecommunications, Inc. ("BellSouth") and NewSouth Communications Corp.

Dear Mrs. Bayo:

Please find enclosed for filing and approval, an original and two copies of BellSouth Telecommunications, Inc.'s Two Amendments to Interconnection, Unbundling, Resale, and Collocation Agreement with NewSouth Communications Corp..

If you have any questions, please do not hesitate to call Kathleen Arant at (850) 222-9380.

Very truly yours,

all M. Crise TI.

Regulatory Vice President

DOCUMENT NUMBER-DATE D3636 APR 21 8

AMENDMENT TO THE AGREEMENT BETWEEN NEWSOUTH COMMUNICATIONS CORP. AND BELLSOUTH TELECOMMUNICATIONS, INC. DATED May 18, 2001

This Agreement (the "Amendment") is made and entered into between BellSouth Telecommunications, Inc. ("BellSouth") a Georgia corporation, and NewSouth Communications, Corp. ("NewSouth") a Delaware corporation.

WHEREAS, The Parties desire to amend that certain Interconnection Agreement between BellSouth and NewSouth dated May 18, 2001 (the "Interconnection Agreement") in order to include BellSouth's Agreement for Provision of Loop Qualification System and a List of ADSL Qualified Loops;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. The Parties hereby agree to add new Section 2.9 to Attachment 2 of the Interconnection Agreement.

2.9 Loop Qualification Service

- 2.9.1 Description of Service
- 2.9.1 BellSouth will provide to NewSouth BellSouth's Loop Qualification System that BellSouth uses to qualify loops for its own ADSL offering in accordance with Exhibit D.
- The Parties agree to add Exhibit D, Agreement for Provision of Loop Qualification System and a List of ADSL Qualified Loops, to Attachment 2 of the Interconnection Agreement.
- 3. The Parties agree that BellSouth does not charge for LQS at the present time, and should BellSouth initiate charges for the use of the system in the future, the billing will be effective upon written notification by BellSouth to NewSouth.
- 4. The Parties agree that all of the other provisions of the Interconnection Agreement, dated May 18, 2001, shall remain in full force and effect.
- 5. The Parties further agree that either or both of the Parties is authorized to submit this Amendment to the Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee Public Service Commissions or other regulatory body having jurisdiction over the subject matter of this Amendment, for approval subject to Section 252(e) of the federal Telecommunications Act of 1996.

This Amendment is made effective upon the date that it is signed by both Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

AGREEMENT FOR PROVISION OF LOOP QUALIFICATION SYSTEM AND A LIST OF ADSL QUALIFIED LOOPS

The undersigned customer (hereinafter "customer") has requested access to the Loop Qualification System (LQS). LQS was originally designed as an internal tool utilized by BellSouth and Internet Service Providers (ISPs) selling BellSouth ADSL (Asymmetric Digital Subscriber Line) Service to determine if a telephone number(s) at a specific service address qualified for BellSouth ADSL Service.

In consideration of the terms and conditions enumerated below, the Company hereby agrees to provide the customer access to LQS and a bulk list of ADSL qualified customers from LQS:

1. The Company makes no claim as to the accuracy or completeness of LQS nor the bulk list.

2. The customer is responsible for acting within the local, state, and federal law governing the use of the bulk list for the purpose of, but not limited to, marketing of service through direct mail or telemarketing. Furthermore, the customer hereby agrees to refrain from abusive telemarketing practices.

3. The Customer agrees that it will use the LQS information and the bulk list and/or any information directly derived from the bulk list for the sole purpose of qualifying and selling its own services (whether by itself or in a package of other offerings).

4. Customer will not use the bulk list for the purpose of conducting research, marketing, qualifying, or selling products and/or services other than its own services

5. Customer will not provide the bulk list, any portion or portions of the bulk list, copies of the bulk list, or any information derived directly from the bulk list to others without the prior written consent of the Company.

6. Customer acknowledges and agrees to the Company's right to revoke and terminate the use of the bulk list by the customer. The Company may exercise this right of revocation and/or termination at any time, for any purpose, by oral or written notice to the customer. In such event, the customer agrees to immediately destroy or return all copies and/or components of the bulk list. For purposes of this paragraph, the term "immediately" shall be defined as a period of time not to exceed forty-eight (48) hours.

Document #132091

AMENDMENT TO THE AGREEMENT BETWEEN NEWSOUTH COMMUNICATIONS CORP. AND BELLSOUTH TELECOMMUNICATIONS, INC. DATED May 18, 2001

This Agreement (the "Amendment") is made and entered into between BellSouth Telecommunications, Inc. ("BellSouth") a Georgia corporation, and NewSouth Communications, Corp. ("NewSouth") a Delaware corporation.

WHEREAS, The Parties desire to amend that certain Interconnection Agreement between BellSouth and NewSouth dated May 18, 2001 (the "Interconnection Agreement") in order to incorporate rates established by the Florida Public Service Commission ("PSC") in Docket Number 990649A-TP, on September 27,2002 and to incorporate all rights to UNE combinations resulting from the Supreme Court's decision in *Verizon v. FCC*, 122 S.Ct. 1646 (May 13, 2002);

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- Those permanent rates established by the Florida PSC in Docket Number 990649A-TP for certain Unbundled Network Elements and Local Interconnection in Florida are as set forth in Exhibit 1 to this Amendment attached hereto and incorporated herein by this reference.
- 2. All rate elements and rates in Attachments 1, 2, 3, 5 and 7 of the Interconnection Agreement for Florida are hereby deleted and replaced in their entirety with the corresponding rates and rate elements in Exhibit 1.
- 3. The Parties hereby agree to delete Sections 4 (the heading only and not the entire section inclusive of all its subsections) 4.1, 4.2.3, 4.4, 4.6.1, 4.6.1.1, 4.6.1.2, 4.6.1.3, 4.6.2, 4.6.2.1, 5.1, 5.2, 5.3, 5.3.2.1, 5.3.2.2, 5.3.2.3, 5.3.2.4, 5.4(second-rates), 5.4.1, 5.4.2 and 5.4.2.1 of Attachment 2 of the Interconnection Agreement and replace them with the language that follows. In addition, the parties have agreed to new Sections 4.6.3, 5.5, 6 and 6.1 and to renumber subsequent paragraphs and references accordingly.
 - 4. Enhanced Extended Links (EELs)
 - 4.1 For purposes of this Section, references to "Currently Combined" network elements shall mean that the particular network elements requested by NewSouth are in fact already combined by BellSouth in the BellSouth network. References to "Ordinarily Combined" network elements shall mean that the particular network elements requested by NewSouth are not already combined by BellSouth in the location requested by NewSouth but are elements that are typically combined in BellSouth's network. References to "Not Typically Combined" network elements shall mean that the particular network elements requested by NewSouth are not elements that BellSouth combines for its use in its network.

- 4.2.3 BellSouth shall provide EEL combinations to NewSouth regardless of whether or not such EELs are Already Combined.
- 4.4 Deleted.
- 4.6.1 Currently Combined EELs shall be billed at the nonrecurring switch-as-is charge and recurring charges for that combination as set forth in Exhibit C of this Attachment. Ordinarily Combined EELs shall be billed at the sum of the nonrecurring and recurring charges for the individual network elements that comprise the combination as set forth in Exhibit C of this Attachment.
- 4.6.1.1 Deleted.
- 4.6.1.2 Deleted.
- 4.6.1.3 Deleted.
- 4.6.2 Deleted.
- 4.6.3 To the extent that NewSouth requests an EEL combination Not Typically Combined in the BellSouth network, the rates, terms and conditions shall be determined pursuant to the Bona Fide Request Process.
- 5.1 For purposes of this Section, references to "Currently Combined" network elements shall mean that the particular network elements requested by NewSouth are in fact already combined by BellSouth in the BellSouth network. References to "Ordinarily Combined" network elements shall mean that the particular network elements requested by NewSouth are not already combined by BellSouth in the location requested by NewSouth but are elements that are typically combined in BellSouth's network. References to "Not Typically Combined" network elements shall mean that the particular network elements requested by NewSouth are not elements that BellSouth combined in BellSouth are not elements that BellSouth combines for its use in its network. For purposes of this Section, "soft dial tone" (*i.e.*, where network elements are connected through from the end user premises to the BellSouth end office and no dispatch is required to initiate service) shall be considered "Currently Combined".
- 5.2 At NewSouth's request, BellSouth shall provide access to combinations of port and loop network elements, as set forth in Section 5.5 below, regardless of whether they are Already Combined in BellSouth's network except as specified in Sections 5.2.1 and 5.2.2 below, consistent with all effective FCC and Commission rules. Except as set forth in Sections 5.2.1 and 5.2.2 below, BellSouth shall provide UNE port-loop combinations not described in Section 5.5 below or Not Typically Combined Combinations in accordance with the Bona Fide Request process.
- 5.3 The rates for port/loop combinations shall be the cost based rates set forth in Exhibit C of this Attachment. To the extent any rate for a network element is not set forth in Exhibit C, the state commission approved TELRIC-compliant rate will apply or, in the absence of such a rate, the Parties may negotiate a rate and/or petition the Commission to set a TELRIC-compliant rate. In case of such a petition, if the Commission

order mandates a true-up, the procedures for true-ups set forth in Section 14 will be implemented.

- 5.3.2.1 Deleted.
- 5.3.2.2 Deleted.
- 5.3.2.3 Deleted.
- 5.3.2.4 Deleted.

5.4 The Second 5.4 ("Rates for Combinations of Loop and Port Network Elements") is Deleted.

- 5.4.1 Deleted.
- 5.4.2 Deleted.
- 5.4.2.1 Deleted
- 5.5 Notwithstanding the foregoing, BellSouth shall provide combinations of port and loop network elements on an unbundled basis, where pursuant to FCC rules, BellSouth is not required to provide local circuit switching as an unbundled network element and shall do so at the market rates in Exhibit C. To the extent a market rate for a port/loop combination is not set forth in Exhibit C, the Parties shall negotiate a rate.
- 6. Other Unbundled Network Element Combinations
- 6.1 BellSouth shall provide other Currently Combined and Ordinarily Combined and Not Typically Combined UNE Combinations to NewSouth in addition to those specifically referenced in Section 4 or 5 above, where available. To the extent NewSouth requests a combination for which BellSouth does not have methods and procedures in place to provide such combinations, rates and/or methods and procedures in place to provide such combination will be developed pursuant to the BFR/NBR process.
- 6.2 The rates for Ordinarily Combined UNE Combinations shall be the sum of the recurring rates and nonrecurring rates for the stand-alone network elements as set forth in Exhibit C of this Attachment. The rates for Currently Combined UNE Combinations shall be the sum of the recurring rates for the stand-alone network elements as set forth in Exhibit C, in addition to a nonrecurring switch-as-is charge set forth in Exhibit C. To the extent NewSouth requests a Not Typically Combined Combination, or to the extent NewSouth requests any combination for which BellSouth has not developed methods and procedures to provide such combination, rates and/or methods and procedures for such combination shall be established pursuant to the BFR/NBR process.
- 1. The Parties agree that all of the other provisions of the Interconnection Agreement, dated May 18, 2001, shall remain in full force and effect.
- 2. The Parties further agree that either or both of the Parties is authorized to submit this Amendment to the Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee Public Service Commissions or other

regulatory body having jurisdiction over the subject matter of this Amendment, for approval subject to Section 252(e) of the federal Telecommunications Act of 1996.

 This Amendment is intended to incorporate the decision of the United States Supreme Court in Verizon v. FCC, 122 S.Ct. 1646 (May 13, 2002) and reinstatement of FCC rules 315(c)-(f) by the United States Court of Appeals for the Eighth Circuit. By executing this amendment, NewSouth is not waiving its right to seek additional amendments to the Interconnection Agreement incorporating said decision.

This Amendment is made effective upon the date that it is signed by both Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.
