Subject: Docket No. 030202-TX

In reviewing the "Protest" in this Docket, it was my conclusion that it was not a valid protest under the rule. Ms. Gudmundson did not request a hearing to determine her substantial interest but, rather, just needed additional time to resolve some financial issues with which she was presented. Accordingly, I called Ms. Gudmundson to discuss the matter with her. Ms. Gudmundson immediately told me that it didn't matter anyway because they had resolved the issues. Accordingly, I will file a consummating order which will close the Docket.
