**Re: Docket No. 030294-WU; Application for amendment of Certificate No. 419-W to add territory in Marion County by Residential Water Systems, Inc.**

Dear Mr. DeMenzes:

The application filed in this docket has been reviewed, and there are some deficiencies in the filing. The items needing correction are delineated below.

1. The territory description includes an area referred to as Tract B of Dalton Woods. The description of Tract B refers to a plat book and page description. This description is not adequate, and instead must refer to section, township and range. See Rule 25-30.030(3)(e), Florida Administrative Code, (F.A.C.).
2. Pursuant to Section 25-30.036(3)(f), F.A.C., a map showing the proposed lines to be included in Dalton Woods is needed.
3. Exhibit H states that an application permit has been filed with the Department of Environmental Protection to modify the well pump. This permit number and date should be filed as a late-filed exhibit once it is received.
4. The number of the most recent order of the Commission establishing or changing the applicant's rates and charges was not provided. See Rule 25-30.030(3)(q), F.A.C.
5. An affidavit that the utility has tariffs and annual reports on file with the Commission, while mentioned on page 6 of the application as being "Exhibit O", cannot be found in the filing. See Rule 25-30.030(3)(r), F.A.C.

6. Exhibit M, the affidavit that notice of the application was given in accordance with Rule 25-30.030(2) and (5), F. A. C., is presumed to be a late-filed exhibit, since it is not contained in the application. The affidavit should be filed after the noticing is completed.
7. Exhibit N, the affidavit that notice of the application was published in the newspaper of general circulation, as required by Rule 25-30.030(7), F. A. C., is presumed to be a late-filed exhibit, since it is not contained in the application. The affidavit should be filed after the noticing is completed.
8. Please also provide a copy of the list of utilities noticed, as required by Rule 25-30.030(8), F. A. C.

If you have any questions, please call Tom Walden at 850-413-6950.
