**SECOND REQUEST FOR EXTENSION
OF CONFIDENTIAL CLASSIFICATION
GRANTED BY ORDER NO. PSC-01-2249-CFO-EG**

NOW, BEFORE THE COMMISSION, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to rule 25-22.006 of the Florida Administrative Code and section 366.093 of the Florida Statutes, hereby submits its Second Request for Extension of Confidential Classification Granted by Order No PSC-01-2249-CFO-EG of the Florida Public Service Commission ("FPSC" or "Commission"), issued in Docket No. 010002-EG in connection with the Energy Conservation Cost Recovery Audit (Audit Control No. 98-173-4-1) (the "Audit"). In support of its Request, FPL states as follows:

1. Petitioner's name and address are:

Florida Power & Light Company
P.O. Box 029100
Miami, Florida 33102-9100

Orders, notices, or other pleadings related to this request should be served on:

(561) 691-7101
(561) 691-7135 Facsimile

2. On July 20, 2001, FPL filed with the Commission its First Request for Extension of Confidential Classification of certain materials obtained during the Audit. FPL's initial filing consists of the Request for Confidential Classification and Exhibits A through E.

3. By Order No. PSC-01-2249-CFO-EG, issued November 16, 2001, the Commission granted FPL's First Request.

4. The period of confidential treatment granted by the Commission will soon expire.

5. Some of the information that was the subject of FPL's November 10, 1998 Request and FPL's First Request for Extension warrants continued treatment as proprietary and confidential business information with the meaning of Section 366.093. Accordingly, FPL hereby submits its Second Request for Extension of Confidential Classification.

6. FPL incorporates herein by reference Exhibits A, and B from its November 10, 1998 filing.

7. Included herewith and made a part hereof is Revised Exhibit C which eliminates confidential designation for some of the information that previously was afforded confidential classification. Revised Exhibit C, Justification Table, List of Confidential Workpapers, shall replace Exhibit C initially filed November 10, 1998 and incorporated by reference in FPL's July 20, 2001 filing.

8. Also included herewith and made a part hereof is Exhibit D. Exhibit D consists of the Affidavits of Dennis Brandt and Richard Thomas which Affidavits shall replace Exhibit D previously filed November 10, 1998.

9. FPL submits that such information is proprietary confidential business information within the meaning of section 366.093(3). Pursuant to section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public

records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

10. The statutory bases for FPL's assertion of confidentiality with regard to each document or portion thereof are set forth in the Justification Table under the column titled "FLORIDA STATUTE 366.093(3)." The letters (a) through (e) refer to subsections of section 366.093(3), as applicable. Support for FPL's Second Request for Extension of Confidential Classification of the referenced material is provided through the affidavits of Dennis Brandt and Richard Thomas. The Justification Table identifies the affiant attesting to the basis for FPL's assertion of confidentiality with regard to each document or portion thereof. The materials at issue contain information that is or is related to internal audit reports, customer account information, contract pricing information, and employee personnel information unrelated to compensation, duties, qualifications or responsibilities.

11. As reflected by the renewed affidavits submitted as Exhibit D, nothing has changed since the issuance of Order no. PSC 01-2249-CFO-EG to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, FPL requests that the information be accorded confidential classification for an additional eighteen month period. FPL further requests that the information be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith or incorporated herein by reference,

Florida Power & Light Company respectfully requests that its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "R. Wade Litchfield", is written over a horizontal line.
