Subject: Item No. 15 (Docket No. 030006-WS) on May 20, 2003, Agenda

Staff requests permission to modify its recommendation for Docket No. 030006-WS, which the Commission will take up as Item No. 15 on the May 20, 2003, Agenda. We inadvertently included the wrong language to close the docket, and would like to modify the recommendation as shown below in legislative format:

ISSUE 5: Should this docket be closed?

RECOMMENDATION: No. This docket should remain open to allow staff to monitor the movement in capital costs and to readdress the reasonableness of the leverage formula as conditions warrant. ~~The docket should be closed after the time for filing an appeal has run.~~ (Vining)

STAFF ANALYSIS: This docket should remain open to allow staff to monitor the movement in capital costs and to readdress the reasonableness of the leverage formula as conditions warrant. ~~The docket should be closed after the time for filing an appeal has run.~~
