RE: Docket # 030236-WS

RECEIVED  
FLORIDA PSC  
COMMISSION CLERK  
03 MAY 27 AM 10:29

Dear Mrs Bayo:

I spoke with Ms Alice Crosby after lunch on Wednesday, May 21, 2003. I agreed not to request a Public Hearing regarding the sale of Pennbrooke Utilities to Utilities Inc.

This letter will serve to confirm that decision.

It will also attest to my intention to continue my complaint against Pennbrooke Utilities for their failure to supply reliable water services to "K" section of Pennbrooke Parkway along with other unknown areas of the complex.

I also informed Ms Crosby that I plan to enlarge the base of the complaint. I will supply you with a list of the homeowners who have been injured by Pennbrooke Utilities failure to provide reasonable water services. They have requested to be added to my complaint.

I also respectfully request that you forward to me copies of all reports, tests, opinions, memos + directives that have any relevance to Docket # 030236-WS
