Okay, the effective date should be 5/22/03 since that is the date in the letter received.

Thanks, Toni

Certainly, we are here to help! I'll move those payment records to new dockets, and all I need from you is the effective date of cancellation of ALEC and STS certificates. Toni after your response I'll print and document this e-mail.

Thanks.

Please do open cancellation dockets for both the ALEC and the STS. I would greatly appreciate your help in doing that for me.

Yes, I have one letter that kind of applies for all companies listed.

I have payment for 2003 RAFs for Docket 030429.

I have Payment for TS176 of \$113 altogether, but we don't have dockets for TX070 and TS176; I can place these payment records in undocketed until we get your request to establish docket, or I can open a docket, per your instructions? Let me know.
Thank you!

I requested the letter and will be cancelling all three certificates related to this

company.

There is a current Docket opened for 030429-TI the IXC cancellation request. There should also be an additional \$48 in raf's coming for TI592 as well to be associated with Docket 030429-TI.

There should be information regarding TS176's cancellation with a check of \$115 coming as well.

The letter below must only address TX070, the ALEC application with a check for \$115.

These are mine Ruth.

Thanks for checking.

Toni

Good morning ladies. I have payment record from 2001, 2002, with P/I, and 2003 RAFs; total of \$115.00 for this company; they are requesting cancellation of ALEC certificate. Actually, the letter is addressed to Toni. Please let me know if you'd like for me to open a cancellation docket to handle request from company.

Thanks.
