Re: **CONFIDENTIAL MATERIALS**
Docket No. 020507-TP -- Response to BellSouth Discovery

Dear Ms. Bayó:

Attached is a confidential copy of the responses to BellSouth's discovery to the Florida Competitive Carriers Association in Docket No. 020507-TP which are being answered by MCI WorldCom Communications, Inc. and MCI metro Access Transmission Services LLC (collectively, MCI) pursuant to Order No. PSC-03-0611-AS-TL, as if the requests had been addressed individually to MCI.

The highlighted portions of these responses are proprietary confidential business information of MCI within the meaning of Section 364.183(1), Florida Statutes. These highlighted responses contain sensitive business information relating to competitive interests, and the public disclosure of this information would impair the competitive business of MCI.

One copy is enclosed which highlights the information for which MCI claims confidentiality. Two redacted copies are also enclosed.

MCI requests that this information be returned to it at the conclusion of the hearings in this docket. If you have any questions, please call at your convenience.

Sincerely,

Richard D. Melson
