Re: Calpine Construction Finance Company's Ten-Year Site
Plan, 2003-2012

Dear Ms. Bayo:

On Friday, June 6, 2003, a runner from my office submitted the requisite 25 copies of Calpine's 2003-2012 Ten-Year Site Plan. Unfortunately, due to an oversight in copying, the cover sheet on the filed copies was left blank, without the appropriate title information. Also, in the course of retrieving and correcting that mistake, we noted that there was a minor numeration error on page 34 of the text (the header for the subsection on Calpine's Santa Rosa Energy Center was incorrectly numbered "IV" instead of "III"). When we discovered these problems, we retrieved the 21 copies that had been distributed to Mr. Michael Haff and have had them corrected by our copying service. Pursuant to your instructions to my assistant, Joann Parsons, I write this letter to identify these corrections from the version of our Ten-Year Site Plan filed on June 6, and to request that you accept four of the enclosed 25 copies of Calpine's Ten-Year Site Plan as replacements for the four copies that are still in your Office, and that you distribute the remaining 21 copies to Mr. Haff.

As always, my thanks to you and to your professional Staff for their kind and courteous assistance. Please accept my sincere apology for the inconvenience caused by this copying glitch. If you have any questions, please give me a call at (850) 681-0311.

Cordially yours,

Robert Scheffel Wright
