# EXPLANATIONS

FORM B9B (9/97)

Proof of Identification and Social Security Number	Important notice to individual debtors: Effective March 1, 2002, all individual debtors must provide picture identification and proof of social security number to the trustee at the meeting of creditors. Failure to do so may result in your case being dismissed.
Filing of Chapter 7 Bankruptcy Case	A bankruptcy case under chapter 7 of the Bankruptcy Code (title 11, United States Code) has been filed in this court by or against the debtor(s) listed on the front side, and an order for relief has been entered.
Creditors May Not Take Certain Actions	Prohibited collection actions are listed in Bankruptcy Code §362. Common examples of prohibited actions include contacting the debtor by telephone, mail or otherwise to demand repayment; taking actions to collect money or obtain property from the debtor; repossessing the debtor's property; starting or continuing lawsuits or foreclosures.
Meeting of Creditors	A meeting of creditors is scheduled for the date, time and location listed on the front side. <i>The debtor's representative must be present at the meeting to be questioned under oath by the trustee and by creditors.</i> Creditors are welcome to attend, but are not required to do so. The meeting may be continued and concluded at a later date without further notice.
Do Not File a Proof of Claim at This Time	There does not appear to be any property available to the trustee to pay creditors. <i>You therefore should not file a proof of claim at this time.</i> If it later appears that assets are available to pay creditors, you will be sent another notice telling you that you may file a proof of claim, and telling you the deadline for filing your proof of claim.
Bankruptcy Clerk's Office	Any paper that you file in this bankruptcy case should be filed at the bankruptcy clerk's office at the address listed on the front side. You may inspect all papers filed, including the list of the debtor's property and debts, at the bankruptcy clerk's office.
