Yes, Document No. 06671-02 can be returned to the source as it contains the same information as Document No. 07443-02. Thanks.

Following staff's directive to return some confidential documents and after issuance of some CFO orders in this now-closed docket, there is one confidential document still pending (no ruling, no directive to return): DN 06671-02.

06671-02 was filed under a notice of intent and followed up with a request for confidentiality and DN 07443-02. I believe 06671-02 and 07443-02 are identical, except 07443-02 may possibly have had conf. portions highlighted. We returned 07443-02 late last summer per staff directive. I suspect 06671-02 could have been returned at the same time.

Is it okay to return 06671-02 to the source? If so, respond affirmatively to this e-mail and we will use it as directive to return the document.

Thanks.

Kay
