service in Lee County by Gistro, Inc.

Dear Mr. Holzberg:

Thank you for your letter dated June 16, 2003, with attached Attorney's Title Affidavit concerning ownership of the wastewater facilities at issue in the above-referenced docket. Please be aware that Florida Public Service Commission practice is to require title insurance along with such proof of ownership. Please secure the requisite title insurance and provide proof thereof by filing a copy of the title insurance policy in the docket file.

Please remember that you still need to cure the remaining deficiencies set forth in staff's February 6, 2003 letter. A second copy of that deficiency letter was sent to you on May 1, 2003, at your request. Moreover, please be advised that the list of governments and utilities provided with staff's February 6, 2003, letter has expired. Please be sure to contact staff for a new list when you are ready to notice the application.

If you have any questions about this matter, please feel free to contact me at (850) 413-6224.
