RE: Docket No. 030563-TL, BellSouth Telecommunications Inc. (BellSouth) Petition for Expedited Review of a Growth Code Denial by NeuStar for the Orlando Exchange (Magnolia).

On June 20, 2003, BellSouth filed a petition requesting that the Commission overturn NeuStar's decision to deny numbering resources in the Magnolia switch (ORLDFLMADS1), located in the Orlando exchange. Specifically, BellSouth requested a one thousand number block to provide a customer with 900 numbers in the NXX-3 number range. In accordance with Commission Order PSC-01-1973-PCO-TL (Docket No. 010782-TL) which approved an expedited process for code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a specific customer in need of immediate numbering resources;
2) The carrier has shown that it will be unable to provide services to the potential customer because of NeuStar's denial of numbering resources; and
3) The potential customer cannot obtain service from the provider of its choice because the carrier does not have numbers available to fulfill the customer's needs.

Since the three required criteria of Order PSC-01-1973-PCO-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (July 16, 2003) as outlined in the expedited code denial process order. NeuStar should be directed to provide BellSouth the needed one thousand block in the NXX-3 number range to meet its customer's needs. Please be sure that in the order, NeuStar is directed to provide the numbers, not NANPA. If you have any questions, please call Shevie Brown at 413-6638.
