RE:

Universal Telcom, Inc. (TJ232)

Dear Mr. Ferguson:

On May 12, 2003, the company mailed its partial payment for the 2002 Regulatory Assessment Fee. The fee is .0015% of a company's intrastate revenues, or \$50.00, whichever is greater.

In addition, payment was postmarked after the due date of January 30, 2003, therefore, statutory penalty and interest charges apply. The company also has a \$12.00 penalty and interest balance for late payment of the 2001 fee. This means the company owes an additional \$64.85, including penalty and interest charges. Breakdowns of the past due charges are attached.

Please pay the past due \$64.85 to avoid an enforcement docket from being established for violation of Rule 25-4.0161, Florida Administrative Code. Let me know if you have any questions.
