**Re: Docket No. 021137-WU - Application for Amendment of Certificate No. 106-W to Add Territory in Lake County by Florida Water Services Corporation**

Dear Mrs. Kowalsky:

On April 8, 2003, the Commission staff conducted an informal meeting to identify and discuss issues identified in the above-referenced docket. At that meeting, the City of Leesburg (City) and Florida Water Services Corporation (FWSC) stated that the parties would get together and try to reach an agreement. Staff was informed that this agreement would be discussed at the April 28, 2003, City Council meeting for the City of Leesburg.

The developer has indicated that he would like service as soon as possible. Are the City and FWSC still working on an agreement? If so, when will a decision be made? As of today, the Commission staff has not heard whether an agreement has been reached between the parties.

We would appreciate a response at your earliest convenience. If you have any questions, please do not hesitate to contact me at (850) 413-6218 or Richard Redemann at (850) 413-6999.

Sincerely,

Katherine E. Fleming
